Strasbourg, 29 June 2023

Dear Ms Busatto,

On behalf of the Council of Europe, I would like to express my gratitude to your institution, CPIA “Manzi” di Treviso, as ALTE member, and thank very warmly you and the teachers of the CPIA, Greta Mazzocato, Sofia Bulla and Francesco Bortolussi, for having contributed to the translation in Italian of the important outcome represented by LLAT.

In addition, let me thank all the other teachers of your school who contributed within the LLAT piloting phase.

The Council of Europe’s primary aim is to create a common democratic and legal area throughout the continent, ensuring respect for human rights, democracy and the rule of law. All the Council of Europe’s actions are shaped by these values and by an enduring concern to promote social inclusion, social cohesion and respect for diversity. Language policy represents one of its major and long-standing programmes in education, including, more recently, a focus on the needs of migrants, which led to the project on the Linguistic Integration of Adult Migrants (LIAM).

I very much appreciate your work within the LASLLIAM project, in particular the translation of LLAT into several languages and dissemination of the tools. Through these concrete actions aimed at helping vulnerable migrants with low literacy profiles, you have contributed to defending their human rights, to promoting plurilingualism and to fostering democratic societies where we can live together in diversity.

Thank you once again for your outstanding contribution to the development of the Council of Europe’s LASLLIAM tools.

I look forward to our further cooperation.

Kind regards,

Sarah Breslin
